

## Help Support Dynamo-CB to Attend US Youth Soccer Southern Presidents Cup!

The Dynamo Coastal Bend 2002 (U19) Girls and 2005 (U16) Boys are raising money so they may compete at the US Youth Soccer Southern Presidents Cup in Decatur, Alabama on June 9th-13<sup>th</sup>.

Dynamo Coastal Bend sent two teams to the STX Presidents Cup State Finals on the weekend of May 14th-16th in Round Rock to compete for a State Championship and a potential bid to represent South Texas in US Youth Soccer's Southern Regional Event in June. Both teams accomplished their goals in emphatic fashion.

The 2005 Boys were able to complete their State title run winning all seven of their games in both the District and State rounds. The Boys posted impressive stats by scoring 28 goals and only allowing 9 throughout the tournament. This team consists of players from Corpus Christi, Portland, Rockport, and Alice.

The 2002 Girls also finished their State title run undefeated. Winning all five of their games in the District and State rounds. The Girls dominated their competition scoring 28 goals and giving up 0 goals throughout the tournament. This team consists of players from Corpus Christi, Portland, Beeville, and Victoria.

Sending two teams to a tournament of this caliber is a big accomplishment for the Coastal Bend Soccer community. We are very proud of these young men and ladies! They represent not only Corpus Christi, but also the whole Coastal Bend with class, respect, and sportsmanship!

Their various fundraisers were set up with hopes of helping the players and their families offset some of the costs of travel, food, and hotel. We would like to be able to send each team off with \$10,000. Our fundraisers include a car wash, a bar-b-que, a drawing and last, but not least a GoFundMe account. We hope you will consider participating in any of the fundraisers to assist these dedicated players to **ACHIEVE THEIR GOAL!!!!**
